

Greenkeepers Club of New England  
Newsletter

August 1943

The July meeting was cancelled as stated in the previous Newsletter.

The August meeting will be held at the Hotel Statler in Boston, Monday August 9th.

The meeting will be held at 6:30 in the evening.

Well, news is scarce as hens teeth, but the problems of Greenkeepers this season are so many that the usual course of events would be hard to meet.

The drought, brown-patch and 'what have you' pay no attention to curtailed budgets and labor shortages but flourish with their customary abandon.

Narry Sperandio sends a card and the following address:  
N. J. Sperandio S 1/c; 82 U.S.N. Construction Battalion; Co. D.  
Platoon 4; c/o Fleet Post Office, San Francisco, California.

Write the boys a line. Their addresses are in preceding Newsletters.

The Secretary is celebrating a new addition to the family, Linda Mae, born July 20th.

Don't forget the August meeting.

The room number will be posted on the bulletinboard in the Hotel lobby. If so inclined, crying can be done in the same room.

Philip I. Cassidy

Secretary
