SEPTEMBER 1948

The scene of the August greenkeeper meeting and championship took place at the Wollaston Golf Club, North Quincy, Mass. Host Greenkeeper was Arthur Cody. Through the courtesy of the Clapper Co., a Friend Power Sprayer was demonstrated by Joseph C. Fiorelli, the factory sales representative. This 200 gallon sprayer will be a necessity on the golf course, due to the fact that a greater control is needed to combat the large number of insects that are injurious to fine turf, namely the Japanese Beetle, which has already been reported in the Attleboro and Franklin area.

There are still a few members who are not attending the monthly meetings. Your reasons cannot be greater than the value of free knowledge that is given you.

The business meeting was called to order by President Philip I. Cassidy. Routine business was acted upon. The application of Carmen D. Capozzi, Norfolk Golf Club, Dedham, Mass., was read and will be voted upon at the next regular meeting.

Have you paid your 1948 dues? According to the Treasurer's report of August 30, 1948, the following members are in good standing:
