

Salary Rate of Faculty and Staff - FY16

This listing contains salaries/wages for faculty, academic staff, and regular nonacademic staff in effect October 1, 2015. Graduate assistants, student employees, and temporary/on-call nonacademic staff are not included in the listing. The “% of Salary paid by the General Fund” and the “Salary paid by General Fund” are point in time views and may vary over the course of the fiscal year. Some employees listed may not receive any direct general fund salary in a given year or in most years and others may receive compensation (usually from non-general fund sources) on a quarterly, annual, or other irregular basis beyond what is indicated.

CUL (Capacity Utilization Level) refers to the total utilization in all units of the university and can be considered as equivalent to the total percentage of employment at MSU.

Annual Salary is the amount of salary/wages an employee would receive over twelve months at the CUL listed. So, for example, an employee at 50% CUL with a \$30,000 Annual Salary listed, if moved to a 100% CUC would have a \$60,000 Annual Salary. For fixed term and other noncontinuing academically appointed employees, the Annual Salary is the annualized amount if all appointments continue for each semester of the year.

Salary Rate of Faculty and Staff - FY15
