Meeting and Golf at Thunder Bay Resort: August 12

Chuck Schaudt is the host superintendent for our August meeting and golf outing. Questions regarding this outing may be directed to Chuck at (517) 742-4875.

The day will begin with an 8:00 a.m. shotgun start, and the game will be two-man best ball. Dinner will follow at approximately 2:00 p.m. with a pig roast. Cost for golf is \$10.00; for

dinner and one drink, \$15.00. Checks can be made payable to Thunder Bay Golf Course.

Thunder Bay Golf Course is located on State Highway M-32, one mile east of Hillman or 21 miles west of Alpena. The greens at Thunder Bay are bentgrass, and the tees and fairways are bluegrass.

Hancock Turfgrass Research Center • East Lansing, Michigan

1991 Turfgrass Field Day will be August 22

The 1991 Turfgrass Field Day, Trade Show and Equipment Auction will be held on August 22nd at the Hancock

trial, water use rates of fairway grasses, biological control of annual bluegrass, and more.

The trade show has grown steadily over the past six years and represents the only show of turfgrass equipment in Michigan where you can actually 'kick the tires' and compare the latest in equipment from all the major turf equipment distributors. Additionally, many distributors of turf chemicals, supplies and seed will also be on hand to display their products and answer your questions. Please take this opportunity to visit these vendors and see their products. The last event of the day is the equipment auction. This is a fun way to end the day and if you need new or used equipment, make a special effort to attend. The items offered often represent real bargains, so take this opportunity to save money on some nice items. If you would like a list of equipment in the auction, please call (517) 353-2033 after August 15th to request an auction list. Remember, all auction purchases must be paid in cash or check after the auction.

The Turfgrass Field Day will be held at the Hancock Turfgrass Research Center on the campus of Michigan State University, located on the SE corner of Farm Lane and

Mt. Hope Road in East Lansing. The trade show, lunch and auction are located across the street from the field tour on the NE corner of the Farm Lane and Mt. Hope intersection. Parking is available in the public lot at the NW corner of the intersection (See Map Below).

Turfgrass Research Center. This year we have instituted a \$10.00 advanced registration charge to cover the cost of lunch, printing the field notebook, postage, and other costs associated with putting on the Field Day. If you don't preregister, you will be charged \$15.00 to register the day of Field Day. Check-in will begin at 8:30 a.m. with the field tour starting at 9:30, trade show at 11:00, lunch at noon and the equipment auction at 2:00 p.m. Again this year, the field tour format will consist of two separate, concurrent tours, one emphasizing lawn care and the other golf course topics. Topics for the lawn care tour will include pre- and postemergence crabgrass control, management of necrotic ringspot disease, fine fescue cultivar evaluations, nitrogen leaching in bluegrass turf, and others. The golf course tour will include putting green speed studies, preemergence annual bluegrass control, creeping bentgrass cultivar

1991 Turfgrass Field Day Registration (ends August 17th.)

Name _____ Additional _____
 Company _____ Registrants: _____
 Address _____

Total Registered at \$10 per person _____ x \$10 = \$_____ total payment
