The next meeting of our organization will be held on Tuesday, August 21st, at The Interlochen Golf & Country Club. Interlochen is located on highway U.S. # 31, slightly south and west of Traverse City. It is about a mile west of the intersection of U.S. 31 with the town of Interlochen.

Our amiable Secretary-Treasurer Frank Heminger is the Superintendent of this fine popular layout and you are invited to play golf. Food is available for lunch and our dinner-meeting will also be held here. Dinner will be served at 6:45 P. M. followed by our business meeting and the educational session afterward.

If you wish to play golf, please pace yourselves so that you will have time for the "Happy Hour" before dinner is served. Anyone coming just for the dinner and meeting, please remember that we start promptly so that our meetings do not finish too late.

Enclosed is a postcard which we would like returned promptly stating if you will be present or not. We are open to suggestions as to how to get most members to return the postcard as the results in the past, leave something to be desired. Won't you please return your card now. This moment so we can tell Interlochen how many will be present for dinner? They are preparing something special and we are sort of guaranteeing a certain number. Could you go "prime ribs of beef"? SEND CARD, THANKS.

Our educational committee headed by T. Mike Thomas has been fortunate in getting for our speaker, Mr. Martin Melkyld, Traverse City Park and Recreation Department, whose subject will be of great interest to all of us. He will speak on "Flowers, Trees, and Shrubs for Golf Courses". Planting the right things will beautify our courses and save us many headaches from using the wrong vegetation. Bring your note books.

Some of you may wonder why we have changed the date of this August meeting from that stated earlier in one of our publications. This was done so that our meeting dates do not conflict with those of the Western Mich. G.C.S. By changing our dates, we are able to get better speakers, better attendance from our associate members that are torn between attending one of two meetings.

There will be a Board of Directors meeting at 6:00 P.M. so please make yourselves available.

We would like to report that our organization has contributed something in helping one of our fellow members in getting a new position. We do not have an employment service and probably never will however if we know of any opportunities coming up or that become available, it would be nice to see if we cannot help another in our group. We want to continue to enlarge our organization also and there are many that have still not filed for membership. Why not join us by taking a few minutes of your time to extend an "Invitation to Join" to a co-worker or someone engaged in turf much like our selves. Bring them along to this next meeting.

Dates to remember. Sept. 13th, at East Lansing is Turfgrass Field Day. Sept. 18th, our meeting at Gladwin Heights Golf Course, Gladwin, Mich.
